cloakrooms, visitor circulation areas — ensuring these spaces are welcoming, accessible, clean, safe, efficient and aligned with Chelsea

Theatre's brand and quality standards.

- Oversee the visitor journey from arrival through to departure: ticketing purchase, hospitality, accessibility services, signage, wayfinding, visitor feedback and continuous improvement.
- Work with marketing/communications to ensure front-of-house signage, visitor communication and event information are up to date, clear and inclusive.

- Ensure all front-of-house and event areas comply with relevant legislation (accessibility/DDA, health & safety, licensing, GDPR, safeguarding, etc.) and best practice for cultural venues.

5. Bar Management

- Hold overall responsibility for the management and compliance of Chelsea Theatre's bar operations.
- Ensure all bar activity meets licensing regulations and that a Designated Premises Supervisor (DPS) is in place at all times.
- Liaise regularly with the DPS to oversee bar staff training, including responsible alcohol service, health & safety, and licensing compliance.
- Monitor bar inventory, stock ordering, and supplier relationships, ensuring cost-effective purchasing and accurate record keeping.
- Oversee cash handling and reconciliation procedures for bar sales in collaboration

with the Finance team.

- Ensure product range, presentation and service align with Chelsea Theatre's visitor experience standards and event requirements.

6. Collaboration with Café

- Work in day-to-day collaboration with the café team to ensure front-of-house spaces are managed seamlessly: opening/closing, hospitality flows, staffing coordination, event linked catering/service, visitor hospitality.
