Tuesday 28 July | 7.30pm

One Night. One Polycule: Seven People. Three Couples. One Comet Partner. Five Different Ways of Loving. And the conversation which started it all.

Love (5 Ways) is an intimate peek into the interior workings of ethical non-monogamy, in a laugh-out-loud two-hander that explores intimacy in all its forms. It's outrageous, messy, and tender.

Come along, as we say: the more the merrier.
