

The newly refurbished and refitted Chelsea Theatre is an adaptable black box performance space that seats up to **130 People**.

The space is fully accessible, with designated space for wheelchair users in all configurations. Set up as standard in a thrust (horseshoe) configuration, the space also has end-on, in the round and cabaret configurations available.

In addition, the theatre can be set up as a **100**-seat screening space with cinema quality projection and sound.

**To reserve your place, please sign up online. Alternatively, you can register in-person at the time of the event.**
