THE CHELSEA THEATRE

Nominate a local hero!

Nominate local heroes past and present online or in person at Chelsea Theatre, by Midnight on Monday 12 October.

We’re honouring people who have had a positive and important impact on the community with six portraits by local artist J King.

The portraits will be displayed at Chelsea Theatre with large reproductions on the front of the building. Our first portrait is of the late Chad Alexander, a Chelsea-born DJ and educator.
